Re: Hartman v. Snelders
Index No. CV04-1784 (CLP)

Dear Magistrate Judge Pollak:

I write on behalf of the defendant in response to the Court's request for the position of the parties on a pending request to release juror identifying information.

Our understanding is that this is information maintained by the Court. However, the defendant believes that nothing further than the information which is already publicly available should be released to any party.

Thank you for your consideration of this submission.

Respectfully submitted,

Garrett W. Swenson, Jr., Esq. (GS-2625)
